H.W. Wilson Announces the 2024 Issues of *Readers' Guide to Periodical Literature*

Readers' Guide to Periodical Literature delivers comprehensive indexing of 300 of the most popular and important periodicals published in the United States and Canada, indexing articles about topics of current and historical interest. It offers high school and college students, teachers, public library patrons and researchers of all kinds an easy-to-use index to a broad range of general interest popular magazines. In total, over 160,000 individual articles are indexed throughout the year.

Among the hundreds of subjects covered are Aeronautics, Aging, Astronomy, Automobiles, Biography, Business, Canada, Children, Computers, Consumer Education, Current Events, Education, Environment, Fashion, Film, Fine Arts, Food, Foreign Affairs, Health, History, Hobbies, Home, Journalism, Leisure Activities, Medicine, Music, News, Nutrition, Photography, Politics, Religion, Science, Sports, and Television.

Three paperbacks are delivered March to September, and include 800 pages each. Each quarterly issue indexes more than 40,000 individual articles. The cumulative library-bound annual, published each year in January, includes over 2,500 pages, indexing over 160,000 articles published throughout the year.

Access to information is flexible and easy in *Readers' Guide*. The following search methods are available:

- **Subject Access:** The plain-language terminology used in the subject headings ensures users will find the information they need
- **Author Access:** Both subject and author entries are given in one alphabet and both provide all the information necessary to locate an article
- **Cross References:** Literally thousands of cross references help users expand the scope of their searches

The Guide offers a number of features developed and perfected by H.W. Wilson during the 110 years of the publication's development:

- Complete indexing of the most popular magazines in libraries today
- Unique name and subject authority files that guarantee names and subject headings are consistent wherever they appear
- Title enhancement to clarify the content of articles with ambiguous titles
- Complete bibliographic information for each article cited
- Complete subscription information for each magazine indexed

A separate index of book reviews that have appeared in the covered magazines

An annual subscription to *Reader's Guide to Periodical Literature* brings your library 3 quality paperbound issues plus a permanent annual hardbound cumulation.
