H.W. Wilson Announces the 2024 Editions of *Current Biography*, the Monthly Magazine

H.W. Wilson's *Current Biography*, the monthly magazine, has been delivering up-to-date biographies of men and women of contemporary importance since 1940. The magazine is renowned for its unfailing accuracy, insightful selection and the wide scope of influence of its subjects.

Current Biography, the magazine, offers ongoing access to the important personalities of today. Eleven issues per year, with sixteen to eighteen biographical profiles per issue, allows researchers to keep up with the day's most talked about and influential people.

Current Biography strives to find those tough leaders, artists, educators, innovators, and entrepreneurs who are not only accomplished in their professions, but whose life stories are celebration of human achievements. Professions featured include activist, actor, alpine ski racer, analytical chemist, architect, artist, author, baseball player, blogger, CEO, chef, comedian, comic book writer, conductor, congressperson, cookbook author, cricketer, economist, fashion designer, film producer, geologist, gymnast, historian, hockey player, little league pitcher, mathematician, Miss America, motorcycle road racer, operatic singer, poet, priest, professional sumo wrestler, race car driver, radio host, rapper, rock climber, social psychologist, stunt performer, surgeon, television screenwriter, venture capitalist, video game designer, violinist, and young-adult novelist... among many others!

An invaluable source for researchers, teachers, students, and librarians, *Current Biography* draws information from newspaper and magazine articles, books, the internet, observations of journalists and associates, and occasionally personal interviews of questionnaires completed by the subjects. This resource presents biographical information in a lively style that makes for entertaining as well as informative reading.
