Sears List of Subject Headings
Brand-New 24th Edition

Since the first edition in 1923, **Sears List of Subject Headings** has served the unique needs of small- and medium-sized libraries, suggesting headings appropriate for use in their catalogs and providing patterns and instructions for adding new headings as they are required. **Sears List of Subject Headings** uses natural language as suggested subject headings, language that makes sense to library patrons who are looking for materials of interest. The goal of this new edition is to help librarians organize their collection in a way that makes it simple for patrons to find what they're looking for.
